S The Channel-Port aux Basques Volunteer Fire Department consists of 35 members, has two fire pumper trucks, a rescue truck, a support unit, and a hazmatt trailer with a pickup. This Volunteer Fire Department is responsible for providing fire protection to the Town of Channel-Port aux Basques & area and also provides mutual aid assistance to the surrounding communities if requested. This Fire Department also responds to motor vehicle accidents on the TCH between Codroy Pond and Rose Blanche with their rescue truck. With regards to the Race, the Channel-Port aux Basques Volunteer Fire Department provides a vehicle to carry race personnel to each checkpoint along with bottled water and various other supplies. Their vehicle PA system is used by the Race to the Sea committee at each checkpoint for announcements. As volunteer firefighters they like to support community events whenever possible.

Coleman's Grocery Store 50 Main Street

Our customers are integral to the success of the company. Through their loyalty we are able to employ over 800 team members across the island. Colemans believe in giving back to the community wherever we can. We put a lot of resources against the wellbeing of our customers and our staff; we understand this starts at a very young age and have created programs to aid in our communities called "Kids Get Active" and "Kids Eat Healthy" which goes to supporting children at community schools across Newfoundland. We support other non-profit organizations and get involved wherever we can.

College of the North Atlantic (695-3343), Grand Bay Road

We are Newfoundland and Labrador's public college – one of the largest post-secondary educational and skills training centres in Atlantic Canada, with a history dating back more than 40 years. College of the North Atlantic (CNA) continues to have the lowest tuition fees of any post-secondary institution in Atlantic Canada. We offer an impressive world-class, nationally accredited range of programming that meets the highest demands of industry; transferability opportunities that promote continuing education at home and abroad; research and development leadership in community and regional innovation; and precedent-setting international partnerships.
